Overview Pro-Ject Waimate is proposing an Art & Craft Market at the Local Government Centre car park.

Background Pro-Ject Waimate is proposing that the Farmers Market and the Art & Craft Market be promoted as a combined weekend attraction.

Currently the Farmers Market is held on a Sunday morning and Pro-Ject Waimate is proposing that the Art & Craft Market be brought under its umbrella and run on a Saturday morning commencing the first weekend in November.

It is envisaged that both markets will encourage new business opportunities for the district and provide locals and visitors with an enhanced shopping experience.

Obstacles A reduction in public car parking in this area each Saturday & Sunday morning.

Recommendation THAT CONSENT BE GRANTED FOR PRO-JECT WAIMATE TO UNDERTAKE THE ART & CRAFT MARKET EACH SATURDAY BETWEEN THE HOURS OF 9 AM AND 12 NOON IN THE LOCAL GOVERNMENT CENTRE CAR PARK COMMENCING AS FROM SATURDAY 7th NOVEMBER 2009.
