

Activities That Relate Primarily To The Environment

Activities that relate primarily to the Environment.

Council's activities relating to Environment are:

Building Control	Page 100
District Planning	Page 104
Environmental Health	Page 108
Animal Control	Page 112
Liquor and Gaming Machine Licensing	Page 116
Pest Management Plants	Page 120

Council's Environmental activities are mostly driven by the statutory requirements placed on us by Central Government. However, because good environmental health supports our community outcomes, Council often will extend the conduct of its activities beyond the purely statutory.
