

Activities That Relate Primarily To Central Organisation

Activities that relate primarily to Central Organisation

Council's activities relating to Organisation are:

Community Representation	Page 134
Chief Executive Officer's Strategic Planning Team	Page 138
Corporate Services Support Team	Page 142
Information Management	Page 146

This group of Council activities exists primarily to assist the smooth administration of other Council activities, to provide for strategic planning, and comprehensive Council approaches to new challenges.

The Community Representation activity ensures that the community voice is heard in the selection of elected representatives, and provides that Waimate's voice is heard by Central Government.
