## Speed

Maximum speed for any vehicle within camping areas is 10kph.

Take care when entering/leaving camp sites - watch for children.

## Rubbish

**Those caught illegally dumping rubbish will be prosecuted.**

## Dump Stations

Situated at Briar Gully, Te Akatarawa, Waitangi and Fishermans Bend camp sites.

Do not empty port-a-pottie contents down toilet bowls as the chemicals destroy the normal operation of camp septic tanks. **Failure to adhere to this may result in camp closure due to sanitary reasons.**

Offenders will be removed.
