
Heavy Traffic Restriction Parker Street, Glenavy

Submission Date: 8/06/2009
Submitted By: Brent Donaldson
Manager Planning
and Regulatory
Department

Overview Council to consider submissions to the Heavy Traffic Restriction on Parker Street, Glenavy.

Background Council has received two submissions opposing the restriction on Parker Street, Glenavy (attached).

Since the public meeting on 10 March 2009, staff has received very little comment from any of the parties to the proposals.

The Council and Police have not received any complaints.

Proposal Refer attachments

Obstacles None apparent

<p>There should be no heavy traffic Restriction on Parker St</p> <p>We have 10 times the number of Trucks on Redcliffe Rd, day + night and don't mind.</p> <p>It is the "BOY RACERS" that use Redcliffe + Ferry Roads day and night you should be doing something about.</p> <p>We do not want our garage closed down by "Whingers"</p>	
Please turn over
