Waimate District Council Rates Easypay

What is Rates Easypay?

It's the easy way to pay your rates bill. By completing a single form we are able to load all of your individually rated properties into our system.

- No standing in queues
- No forgetting to pay
- No cheques or postage
- No large cash payments
- No penalties

This is a very low risk method of payment and will ensure that your rating account(s) will not attract any penalties for late payment. You will still have full control over your rate account(s) and if you have any queries don't hesitate to contact us.

How does it work?

When you join the Rates Easypay system you will receive a letter confirming your bank account details, commencement date and frequency of your payments.

On payment days, the money you owe will be automatically deducted from your nominated bank account (not your credit card). All transactions will show up on your regular bank account statement.

You keep full control over your method of payment and you can cancel your Rates Easypay arrangement at any time.

Payment options

There are two payment options as follows;

- Monthly payments – On or around the 20th of every month the monthly apportionment of your annual rates balance will be automatically deducted from your nominated bank account.
- Quarterly payments – On the due date of every quarter, the balance owing will be automatically deducted from your nominated bank account.

How do you join?

1. Please complete the **enclosed** form and return to us in the Waimate District Council freepost envelope **provided**; or
