MOTION CARRIED / ~~LOST~~

Amendments:

Management Report (South Canterbury Road Safety Coordinator's Report – page 8) that the District Infrastructure Committee agreed that a trial be held to try to slow down traffic nearing the St Andrews School.

The Committee recommended if these measures do not have the desired effect on traffic following two school terms; that Council will look at relocating the speed signs through the appropriate process.

The District Infrastructure Committee thanked Daniel Naude on his report.

That the District Infrastructure Committee recommends to Council:

1. That a threshold treatment, larger speed limit signs and placement of additional signage will be installed as recommended by Daniel Naude, and
2. That consideration is given to installing appropriate side friction, and
3. That a review of the speed bylaws is commenced.

#### **Management Report – Asset Group Manager**

“That the Asset Group Manager’s Report is accepted.”

Moved Cr Cain  
Seconded Cr Anderson  
MOTION CARRIED / ~~LOST~~

#### **Parks & Reserves**

A suggestion was made that NetCon be approached to request that they undertake some beautifying work at the Ikawai Bridge lay-by as it is often used by members of the public.

Staff were asked to include prior month data in future Service Requests graphs to enable the comparisons to be shown.

#### **Consideration of Major or Minor Items**

There were no major or minor items identified.

There being no further business, the Chairperson declared the meeting closed at 11.45am.

These minutes to be confirmed at the District Infrastructure Committee meeting to be held on 26 January 2016.
