Rural Travel Grant Eligibility

The rural travel grant is designed to help subsidize travel for junior teams participating in local sport competition. It was developed in response to concerns raised by territorial authorities about the lack of participation in sport by young people living in rural communities. geographical isolation, urban drift, lack of employment opportunities and access to mainstream funding were identified as barriers to sport participation.

The rural travel fund **is not** provided for the purpose of travel to **regional** or **national** events.

Application for the rural travel fund is open to rural sports clubs and rural school teams with young people aged between 5 and 19 years who require subsidies to assist with transport expenses to **local sporting competitions**.

The following criteria shall be applied when considering applications for funding –

“a school club team participating in regular local sport competition out of school time, that excludes inter school and intra school competitions played during school time”

and/or

“a sports club team participating in organised, regular sport competition through club membership outside of school time”.
