GUIDELINES

1) Background

Geographical isolation, urban drift, lack of employment opportunities, and lack of access to other funding sources have been identified as barriers to participation in sports by young people in rural communities. The Rural Travel Fund was launched by Sport New Zealand in response to concerns raised by Territorial Authorities about the lack of participation in sports by young people living in rural communities.

The Rural Travel Fund subsidises travel for junior teams participating in local sports competitions outside of school time.

Sport New Zealand provides Rural Travel Funding to Territorial Authorities that have less than 10 people per square kilometre, and who wish to participate in the Rural Travel Fund. Those Territorial Authorities then provide the funding to junior teams, and administer the funding.

Sport New Zealand is making Rural Travel Funding available to Territorial Authorities in 2018/2019 and 2019/2020, so that they can allocate funding to eligible teams to use for travel to sports competitions.

2) Eligible teams

Applications for funding from the Rural Travel Fund can be made by rural sport club teams and rural school club teams within the Territorial Authority region, with members aged between 5 and 19 years, who require financial assistance with transport costs so that they can participate in local sports competitions.

3) Eligible travel

The following criteria will be applied by Territorial Authorities when considering applications for funding made by eligible teams (along with any other criteria that the Authority considers appropriate).

A rural school club team will be eligible for funding if it is participating in a regular local sports competition out of school time, which excludes inter-school and intra-school competitions run during school time.

A rural sports club team will be eligible for funding if it is participating in an organised, regular sports competition through club membership outside of school time.

Please note: Funding will **not** be provided for, and may not be used for, the purpose of travel to **regional** or **national** sports competition.

4) Accountability for funding

You must only use the funding for travel costs that arise from the team participating in a local competition, and as agreed with the relevant Territorial Authority.

You must return an accountability form to the Territorial Authority administering your funding that shows how the funding was spent, including by providing proof of purchases made and any receipts.

Please note: Accountability forms must be returned by 30 May 2019 and 30 May 2020. If you do not return your accountability form by the date specified above, it may jeopardise the provision of future funding to your team.

5) Goods and Services Tax (GST)

GST registered organisations

If you are a GST registered organisation, the Territorial Authority administering your funding will pay your funding plus GST. You must then account for the GST to the Inland Revenue Department (IRD).

Non-registered GST organisations

If you are not GST registered, the Territorial Authority administering your funding will not add GST to your funding.

6) Return of unspent funds

You must return any funds you have not spent as at 30 June 2018 to the Territorial Authority administering your funding.
